we welcome you to leave the office or your home set up for a few days a week and work from an innovative space to boost your creativity, thrive and meet other like minded people. With a range of different seating options, we like the idea of not being confined to a desk or non inspiring environment; we encourage you to hop around the space enjoying the lounging sofas in the sunshine, the high desks with mountain views or our meeting room for those more important private conversations.

Catering Options

We are a BYO Food friendly venue.

We understand that using a venues in house catering is not always the best option for all events, and sometime out of the budget.

On the following page we have a grazing menu that we can organise from our In house Caterer Handlebar Eatery, please see information on cost and options on the following page.

Otherwise, if that doesn't suit your event, some other great local options you can get in touch with are:

Rosie's Platters for beautiful platters and cheese boards.

Ordering pizza, most places deliver

Sushi platters from St Pierres

Handlebar Eatery Catering

Queenstown Caterers

Arctic Kitchen

The options are endless!

Grazing Table

We will provide a bespoke menu for your total group of delicious canape style bites.
